

STUDY MISSOURI

A World of Opportunities

A Summary of Academic Programs Offered in Missouri

Missouri prides itself on affordable, diverse opportunities for higher education. From highly selective research universities to two-year, open-enrollment colleges, the state is home to an array of higher education institutions. Check out the field-of-study and degree information to discover the many options available. To learn more, be sure to visit the college and university websites or contact them directly.

Study Missouri is a consortium of colleges and universities working together to increase international education. Study Missouri promotes Missouri as a destination for international students, and encourages and assists domestic students to study abroad. Learn more about international education opportunities in Missouri at **StudyMissouri.net**.

Affordable tuition, moderate climate and safe, spacious campuses make Missouri one of the most attractive destinations for students wishing to study in the United States. Missouri is ranked 12th in the nation in the ability to attract international students from around the globe. Missouri has the 16th lowest cost-of-living of all 50 states, making it an affordable place to attend college.
